

QUALITY POLICY STATEMENT

Scunthorpe Lawnmowers Limited is a family run business with over 40 years' experience in the provision of contract grounds maintenance and commercial & domestic hard and soft landscaping services. We aim to deliver top quality services to all our clients each and every time in an environmentally sound, safe and compliant manner.

Scunthorpe Lawnmowers Limited will consistently deliver top quality services by fully understanding our client's requirements, through the use of fully trained and competent personnel, suitable, safe & compliant products & equipment and safe-working practices.

We will:

1. Continue actively seeking future works to broaden the client base: to include grass cutting and aim for an additional £50,000 of business on small contracts, and £80,000 on larger contracts.
2. Maintain all certifications for ISO14001, ISO9001 and successfully migrate to ISO45001
3. Undertake Client Quality audits on randomly selected sites on a monthly basis.
4. Ensure that all personnel are aware of the Company's and their own responsibility to environment, health and safety and quality issues.

In order to help us to deliver these goals we have implemented and maintain a formal QHS Management system that fully complies with the requirements of ISO9001:2015 and any relevant statutory legislation and industry standards, our quality management representative has several years' experience in this type of role.
